RE: Department Charges in the Faculty Dining Room

Dear Colleague:

The procedures in the Faculty Dining Room are all oriented towards a simple cash system. While some accommodations have been made to allow charging to University budgets for business entertainment, please note that it is not possible to include gratuities on the departmental charge slip. The volume and intentions of the Faculty Dining Room operations could not simply justify the systems that would have to be implemented to accommodate this type of transaction.

Therefore should you wish to leave a gratuity for the wait staff in the Faculty Dining Room please do so in cash only.

Thank you for your understanding and coop ration.
